The advice simply does not work because here is the fact: while most people are capable of learning 10 new words a day, but everybody forgets within a week and many forget within 24 hours. Content The words are given in bold (example, the words belabor and buttress below). The meaning is given after the equal sign (=) following a word. The words are not necessarily in alphabetical order. We have used the US spellings. The British spelling of a word, when different from the US spelling, is given in bracket after BRITISH as shown for the word belabor below. USE gives a sentence fragment carefully chosen for memory.
