BOOK SYNOPSIS

Written by the Past-Presidents of the Education Law Association, this revised and comprehensive edition provides special education teachers and administrators with current information on every facet of special education law, including an in-depth explanation of the reauthorization of IDEA. This book covers IDEA, ADA, FAPE, 504, discipline, due process, IEPs, LRE, parental considerations, and public vs. private school considerations; takes a preventive approach to special education litigation; and focuses on federal and state interpretations of the law.
