- ISBN : 1939090113

BOOK SYNOPSIS

This book contains 2 full-length practice tests for the Lower Level ISEE based on the latest guide published by the ERB. The tests in this book will give you an idea of the types of questions you will see, the concepts that are being tested, the format and timing of the test, and a sense of how the scoring works. This book only includes the two practice tests and answer keys -- it does not include content instruction. It is designed to complement the other Lower Level ISEE materials published by Test Prep Works, which include: Success on the Lower Level ISEE: A Complete Course -- This book provides comprehensive instruction on the content and strategies required to ace the Lower Level ISEE, including vocabulary lessons and drills, math content lessons and practice sets, reading strategies and drills, tips for the essay, and one full-length practice test (with different questions than the practice tests in "The Best Unofficial Practice Tests for the Lower Level ISEE," so there is no overlap between the books.) 30 Days to Acing the Lower Level ISEE -- This book consists of additional practice to help reinforce the content and strategies covered in "Success on the Lower Level ISEE: A Complete Course." This book is divided into 15 "workouts," giving students an easy way to break up the practice into manageable chunks. Each of these books can be used independently, or they can be used to complement each other, depending on the needs of your specific student. The Lower Level ISEE is given to students currently in grades 4 and 5 who are applying for entrance to grades 5 and 6. Materials for the Middle Level ISEE and the Upper Level ISEE are also available from Test Prep Works. Please note that the tests in this book are neither produced nor endorsed by the ERB.

THE BEST UNOFFICIAL PRACTICE TESTS FOR THE LOWER LEVEL ISEE -

Are you looking for Ebook The Best Unofficial Practice Tests For The Lower Level ISEE?
